Greetings:

This is a reminder that we will discuss plans for the upcoming meetings in Silverton regarding Upper Cement Creek this Tuesday, April 10th from 8 am to 9 am at EPA's Conference Center, Sagrebrush Room on the 2nd floor. Please tell me who will be joining us in person so I can provide your name to our security folks. I will meet you in EPA's lobby at 7:55 am.

Below is the conference call number for those of you who can't join us in person:

1-866-299-9141

As for the agenda, I proposed we discuss the following:

- Silverton schedule;

Please let me know if there are additional topics you wish to add.

We will send draft talking points to everyone Monday for discussion during the meeting along with a draft ARSG agenda. Please don't hesitate to call me if you have questions.
